

Refer to this card if you have problem finding the location of the tags throughout the exercise.

```
<!DOCTYPE html>
<html>
  <head>
    <title></title>
    link>
    <scipt></script>
  </head>
  <body>
    <div>
      <img>
      </div>
    <button></button>
    <button></button>
    <button></button>
    <br>
    <input>
    <br>
    <input>
    <but><br/><br/>/button></br/></br/>
  </body>
</html>
```

Note: and tags don't have to be inside a <div> tag.
